ZEMA BOARD APPOINTS NEW DIRECTOR GENERAL

The Zambia Environmental Management Agency (ZEMA) Board of Directors has announced the appointment of Mr. Godfrey Mwiinga as the Agency's new Director General.

Mr. Mwiinga who has over 20 years of work experience, brings a wealth of experience to the Agency having served in several leadership capacities in private and public sectors locally and abroad.

He brings practical experience in environmental management, strategic and advanced project management, finance and credit skills, business strategy implementation, supply chain management and anti-corruption compliance and governance.

The Board of Directors is confident that Mr. Mwiinga will build on the solid foundation laid by his predecessors, drive the Agency's mandate and steer its strategic direction towards sustainable environmental management and protection.
